

INDEX TO THE BOOK "CHRONICLES OF THE HASKELL FAMILY"

1

I have used the most frequent spellings for all the given names. Example-Eleanor is listed as Elinor. If you don't find a name in the index that you feel should be there, I suggest you look under the Phonetically similar names. I encountered many printing errors in the book.

Allied family names with slight differences in spelling have also been combined, example-Andrews and Andrew etc.
